# PRINCIPAL’S WELCOME

Hello,

It is with great pleasure that I welcome you to our 2019 Open House. This evening presents itself as a wonderful opportunity for our school community to enjoy the many outstanding accomplishments of our students, faculty, and staff. As we embrace the Common Core Standards, we are witnessing increased use of technology, student collaboration, and discussion techniques in all classrooms. Mastery of the standards, whether through assessments or projects, should be on display through posted student work and classroom displays. Our electives and Physical Education programs will use tonight to share their students’ success and discuss their programs with you. Enjoy the evening and thank you for taking a part in Hale’s tradition of excellence.

Sincerely,  
Mr. Perdigao
